HUMC HAPPENINGS

June & July 2011

From The Pastor's Desk

Summer is now upon us, believe it! The kids are out of school and starting a new kind of "busy"; swimming lessons, summer school or camp, soccer, dance, baseball, and the family vacation.

How will the summer time "busy" impact your faith? I already know church attendance will fall, it always happens; I stopped lamenting about it a long time ago. It will be very noticeable this weekend, our 1st official holiday of the summer.

So what about God? Joe Bollig, writer for The-Leaven.com, says this, "God is supposed to be part of our summers and that includes our vacations." One of his suggestions is to truly "vacate" all those things we usually hold on to and really relax and enjoy the blessings God has given us. I know too well most vacations end up being hard work! All the planning, doing, expecting, and scheduling can wear you out and you long to get home and rest up – from your vacation! So enjoy your summer, enjoy your vacation. Celebrate God's creation; have fun, don't plan so much stuff, attend church in the area you are vacationing, come home refreshed, and thank God for the blessings you have been given.

Please Help Us Save \$

HUMC has a Staples Gold Premier Rewards account & we earn rewards for every purchase we make. We are asking the congregation (if you don't already have a personal account) to begin using HUMC's rewards # for all your Staples purchases. We will get money to purchase office etc. We will help us purchase office supplies & help us keep our costs down, so please drop them off in the office.

HUMC's rewards number is 5000203033. If you need a card, I can print you out a copy of the card to use. Ever little bit helps & it is an easy way to earn some extra \$ for your church.
