Trunk or Treat

Saturday, October 31st,

at 6-7:30pm

The children will go trick or treating to each trunk in a safe, fun environment. There will also be free BBQ hot dogs and etc. (monetary donations always welcome). It will be an easy one stop & you won't have to rush around to make dinner. We need families to volunteer to decorate their trunks for the Trunk or Treat on Halloween night. There will also be a contest for the best decorated car (please nothing too scary). Please let us know if you plan on helping out by decorating your trunk. Times for the participants to be in the HUMC parking lot will be specified at a later date. Please feel free to contact Sally Culwell (999-0589) or Ruth Hines(696-0088) with any questions.

Dear Church Family,

What a wonderful way to start off the fall season at the church. Children and teachers are back at school, the wonderful sounds of children once again are filling the church during the week as your Learning Lane Preschool ministry has begun a new year. Scouts are piling into the classrooms like never before, and new ministries, small groups, and other activities are beginning.

Friends, as the months begin to get cooler, I encourage you to become more active in the ministries of the church and embrace the opportunity to join a small group for learning and fellowship. In the next couple of weeks, look for announcements about the new and exciting opportunities that will be offered as we kick-off this fall.

I also want to encourage you to continue to support the church through your presence, your prayers, your gifts, your service, and your personal witness. One great opportunity to do this is by inviting your family and friends to come with you to the smorgasbord. Remember that this is your church and your church needs your support! Other opportunities include the HUMC tailgates that are happening before the High School Football games on Sept. 18 and Oct. 2. Come out, have fun, and show the community that your church supports the Indians. And don't forget that we are also continuing to reach beyond our walls to those in need through the Festival of Sharing, Food Bank, PET project, and Rainbow network. I encourage you to support all of these ministries as we continue to be a church that is growing in faith and service.

In Christ,
Pastor Loren
